Artistic Motion proudly invites dancers ages 11-Adult with strong previous dance training to join us on the summer dance experience of a lifetime. Tentative dates for this trip are June 16-30, 2019. We have joined with Armenian Choreographic Dance College in Yerevan, and other professional dance teachers and other dance companies to provide intensive dance training to American and Armenian dancers.

The goal of this exclusive two week exchange program in Yerevan is to bring US dance students and teachers to Armenia in order to work in unison with instructors and dancers from Armenia and Russia. In Yerevan, instructors from both countries will give joint classes to all of the participants. Students will have the chance to tour historic Armenia and take part in guided discussions about the history of the two countries, both as it pertains to dance, and greater geo-political issues.

Our main objectives are to accomplish the following to the highest degree possible:

- To provide American and Armenian dance students with international dance training
- To introduce dancers to Armenian and American culture and history
- To provide a comfortable and exciting vacation experience for friends, siblings, and parents joining us
