

Class & Rehearsal Schedule 2024-2025

ARTISTIC MOTION SCHOOL OF ARTS and TRIAD BALLET SCHOOL
– Where Excellence Begins..

Triad International Ballet; Triad Ballet School and Artistic Motion School of Arts are three pillars of one social enterprise organization comprising a non-profit organization (the ballet company) and a commercial enterprise (the dance schools).

All dance training – including Triad Ballet School (“TBS”) - is administered through Artistic Motion School of Arts. The purpose of the TBS program is to provide more intensive training for those interested in pursuing a career in ballet and the program is therefore designed to develop talent and create a potential career pipeline directly into our ballet company: Triad International Ballet. Accordingly, Triad International Ballet supports the TBS program through awarding merit scholarships to all enrolled students. Acceptance into Triad Ballet School is by audition only.

All students of Triad Ballet School – except Level I – are **required to participate** in productions of Triad International Ballet and Artistic Motion.

We offer 3 programs:

1. **TBS Under 18s – ALLEGRO PROGRAM:** an *intensive* program designed to facilitate progression through all 8 levels (based on the Vaganova method) at the rate of one level per year (8 year program). In recognition of the dedication and commitment shown by students who select this program, Triad International Ballet offers a **50% merit scholarship** on fees for both (a) classes, and (b) student company participation.

TBS Senior Students who graduate Level VIII, or otherwise at the discretion of Triad International Ballet, may be invited to join the Company directly as signed Apprentices or as Aspirants as part of the continued TBS Graduate Program.

Allegro students are required to take all classes shown in the grid below unless marked “Optional”

2. **TBS Under 18s – ADAGIO PROGRAM:** a *less intensive* program offering more flexibility and fewer hours per week, designed to facilitate progression at the rate of one level over 2 years (unless otherwise invited to progress sooner based on technical development). For students selecting this program, Triad International Ballet offers a **30% merit scholarship** on fees for both (a) classes, and (b) student company participation.

TBS Senior Students who graduate Level VIII, or otherwise at the discretion of Triad International Ballet, may be invited to join the Company directly as signed Apprentices or as Aspirants as part of the continued TBS Graduate Program.

Adagio students are only required to take classes shown in orange

3. **TBS Over 18s - GRADUATE PROGRAM:** an *advanced and intensive* program **designed to facilitate the transition from student to company dancer** by providing additional training & performance opportunities; **access to daily Company class with Triad International Ballet** coupled with sufficient flexibility so that students can simultaneously pursue a college degree and/or part time work. Members of the TBS Graduate Program are **automatically accepted as “Aspirants” to Triad International Ballet**. Aspirants can progress to becoming fully signed Apprentices and, eventually, tenured Dancer members of the Company. Progression to higher levels is by invitation and at the discretion of Triad International Ballet. In recognition of their full commitment towards a future career with the Company, Triad International Ballet offers a **60% merit scholarship** on fees for both (a) classes, and (b) student company / company participation.
